April 2017

## Yes/No Project Management Simulation Launched!

---

April 2017 sees the launch of a new project management simulation - the [Yes/No Simulation](#).

Developed initially as a method of getting experiential learning to a group of 150 students within 50 minutes, the Yes/No simulation is now available to individuals via the website, and is [described in this blog post](#).

2016 saw the launch of AbleSim, with a [Website](#), [Blog](#), and [Resources](#) page. A ['Free Trial'](#) Simulation was made available, as well as the [Warehouse Construction Project Simulation](#).

*Supplement your project management knowledge with a bit of experiential learning and try out one of the project management simulations!*

---

### Free Trial

A reminder that there is a free trial option on the website!

## About AbleSim

**AbleSim provides online Project Management Simulations, Project Management Training and Consultancy, and remote MS Project Support.**

Project Management is a complex and dynamic subject. It cannot be taught solely by classroom lectures, books, or case studies. Project Management Simulations are required for students to learn through experience.
